Ms. De Fazio,

Please find attached the records responsive to your request below. We are redacting emergency phone information from the list. Pursuant to Nevada Revised Statute ("NRS") 239.0107(1)(d), if a governmental entity denies a person's request to inspect a public record, or a part thereof, based on the confidential nature of the record, the governmental entity must provide written notice of the existence of the confidential record and a citation to the specific statute or other legal authority supporting the record's confidentiality. Balancing the interest for nondisclosure (office safety) against the general policy in favor of an open and accessible government, the Commission is redacting the emergency contact information.

Thank you,

Trisha Osborne
