Liz,

So you are telling me, if I request a copy of all phone bills, there will be no cell phones for staff? That the single number in the upper right hand corner of the previously provided request is the only one?

I believe I also asked for who has state phones and why they have to have them. "

A list of employees who have emergency phones and why they are classified as emergency contacts. Phone numbers are NOT being asked for."

Are you saying that no one in the PUC was given a cell phone?
